

# Open LMS **Academy**

**academy.openlms.net**

## Jaslyn Hughes

Manager, Adoption &  
Education

**Open LMS**

- Involved with educational technologies since 2007 in technical and business-focussed roles.
- Worked specifically with Moodle since 2012.
- Online learning addict!
- Degree in business management.
- Certified in training and assessment.

## Global team

Two teams totalling eight people supporting, APAC, EMEA, LAC, and NA.

OPEN LMS ACADEMY

## Vision – The What

*“Open LMS Academy offers a full range of facilitated courses and bespoke training programs to help you achieve your teaching and learning and LMS goals.”*

#### OPEN LMS ACADEMY

## What's on offer?

### Facilitated courses

- Build a Better Course
- Fundamentals of Online Teaching
- Hybrid Teaching Essentials
- H5P Creator
- Introduction to Site Administration
- Moodle for New Users

# Open LMS Academy Roadmap

## EdTech Chats

Need to catch up? All our EdTech Chats will be available in the Academy!

## Free Content Friday

Lean on our expertise and check out new, free, content every Friday.

## New courses

Looking for something more topical instead of functional? We got you!

## What's the benefit to me?

- Professional development
- Functional understanding of Moodle
- Weekly webinars to connect with our team
- Option to run a course just for your team

We love  
learning.
